

Keeping Tabs on Your Career with CANS ***Civilian Announcement Notification System***

Whether you are at home or away, do not miss out on job opportunities with our automated Civilian Announcement Notification System (CANS).

- Do not waste your time searching for jobs. Let CANS do it for you.
- It is easy . . . just access the CANS option on the Air Force Employment Website (<http://www.afpc.randolph.af.mil/afjobs>) then enter your e-mail address and search criteria. CANS sends an e-mail to you when a position that matches your search criteria is announced. Please review announcements for "who may apply" because CANS sends all announcements that match your criteria whether they are for internal employees or external applicants. CANS makes no distinction if you are qualified or eligible for the position. It only notifies you when the position is open for recruitment.

Note: This is ONLY a notice of vacancy. After you receive an e-mail notice and decide you are interested in the position and wish to apply, you must follow the steps to self-nominate in order to receive consideration. You are responsible for self-nominating for positions of interest.

Note: New vacancy announcements are generally posted every Friday.

Whether you are on leave, TDY or deployed, you can manage your career with CANS...keep in touch, be pro-active, and do not miss out on employment opportunities. SIGN UP TODAY!
